System

The Pärnu Table Tennis Winter Tournament 2014 will be played under a "two minuses" system, all competition classes together, and all places and the best of five determined, that is, until three sets have been won. If there is not enough time, the best of free, that is, until two sets have been won, may be played in the minus round and in games to determine individual places.

Participation is open to anyone interested after registration for the competition and payment of the participation fee. Competitors will be ranked in a table based on the applicable ELTL ratings. All games will count toward the determination of ELTL ratings.

General

The Tournament will be played in accordance with the competition rules approved by the ELTL. Any issues not addressed in the Guidelines will be resolved on the spot, either by the Head Referee or the Organiser. The health status of every competitor is their own responsibility. Arvi Vainula IU will serve as the head referee at the "Pärnu Table Tennis Winter Tournament 2014".
